BY CHARLES E. BRICKLEY. PHILADELPHIA, November 28.—As was expected, the Army team easily outplayed the Navy to-day, and won handily by a score of 20 to 0.

The spectacle before the game was wonderful. The middles and cadets paraded around the field with their bands, and enthusiasm ran rlot. The cheering on both sides was terrific. I sat directly behind the Navy section, and the noise was deafening.

Navy had only one change to score

Navy had only one chance to score the first half, and lost that when flodgett missed a try for placement oal. Army scored on a safety when they blocked a Navy punt on the goal line. Army's two other scores in the first half were the direct results of forward passes, Prichard to Merrillat. This combination is hard to beat for forward passing.

Navy Handles Kicks Poorly.

Navy Handles Kicks Poorly in this half. Army outpunted the middies and covered their kicks better. Both teams tackled flercely, as they always do in this contest. The Navy centre made some bad passes which were disastrous.

Navy came back strong in the third quarter and carried the ball to Army's twenty-yard line, only to lose it on an attempted forward pass. Following this, Army made its most consistent advance of the day, carrying the ball from its own twenty-yard line right down to the Navy goal line, but the Navy recovered on a fumble. It was too bad to lose the ball after such a splendid rushing attack. There was one more score by Army in the fourth period, this after a long forward pass from Prichard to Merrillat, and then Prichard carried it over from the two-yard line.

Neither Team Has Goal Kicker.

period, this after a long forward passes from Prichard to Merrillat, and then yellow the team seemed to have a goal kicker. Army missed all three goals from touchdowns and two attempted field goals, while Navy missed an easy chance for a field goal.

The Army punting was a big factor in the result. Then again, the Prichard to Merrillat combination was almost impossible to the tor in the result. Then again, the Prichard to Merrillat combination was almost impossible to the tor in the result. Then again, the Prichard to Merrillat was almost impossible to the tor in the result of the passes.

On the individual players, Prichard and Merrillat were most conspicuous for the Army. Prichard ran his team plays at the right time. Merrillat was missed the playes at the right time. Merrillat was all seemers, and picked the right time. Merrillat was bliving up to his reputation.

Miles the Navy Star.

Of the Navy, Miles, a substitute, stood out prominently. He handled his team well, carried the ball on many plays, and ran his kies well. BOWLING

At the completion of the first half of the Richmond Bowling League tempin season, three teams are on even terms for first place. The Jewelers, Times-Dispatch and Superiors are making a great run for honors, and the work of the pinners will be watched with interest until the end of the league's activities.

Last week, on the Newport runs, the best series of the year was rolled between the Jewelers and Times-Dispatch, five of the six games totalling for above the 900 mark. The News

patch, five of the six games totalling far above the 900 mark. The Newspaper men won the series, placing them on even terms with their opponents.

Friday night, on the Palace drives, the Superiors, under the captaincy of Hermis McFarland, trimmed the Davis Plumbing Company for three counters and are also tied for first place.

Wednesday night Bromm Baking Company pinners scored three times against the Newports, and are now in fourth place, one game behind the leaders. Jake Rowsey's Palace squad took care of the Tip Tops by annexing two out of three games, and are in fifth place.

two out of three games, and are in fifth place.

The individual bowlers doing the best work for their respective teams were: for Times-Dispatch, Hampe; Jewelers, Bell; Bromm Baking Company, Gibert; Newports, Barrow; Superiors, McFarland; Davis Plumbing Company, Davis; Nolde's Tiptops, Whitman, and Palace, Rowsey.

Bowling Notes.
The Superiors are the surprise of the season.

The joke is on the Palace team. This five has knocked down more plus than any other league team yet they stand solld in fifth place. The anchor man on The Times-Dispatch is there with the punch when needed, as shown in the games against

the Jewelers. McFarland, the champion tenpin bow-er of Richmond, is fast rounding into

ler of Rich condition. Keep your eyes on Frank Jennings, the recruit of the Superiors.

"Dimp" Gilbert, the "boy wonder," is rolling a great game for Bromm's team.

"Believe Me" Blair is not discour-aged about the way his team is going. He evidently believes the last shall be first.

Phipps of the Newports, holds the record for high individual score for the season thus far. His mark is 255, which is some score. Harper, of the Palace, is a close second, with 253, and holds the record for high total for three games, his score being 673.

Whitman has freed himself of the shackles which "Father Time" seemingly had cast about him, and is performing like the veteran he is.

The Superiors have won eleven of their last twelve games. The other teams think Captain McFarland's gang should have a heart. The Newports still have a chance of knocking out some of the league lead-

"Heavy" Murray, of Broom's, is "twenty-eight hundred strong." Captain Arright says he is glad "Yank" is waking up.

Next Week's Schedule.

Basketbail Notes, The quintes seem to be striking their stride, and the games are getting to be of high-class variety.

A great crowd is expected to witness the clash at the Grays' Armory next Saturday night, when the Blues and the Howitzers, who are tied for first place in the Class A division, meet tep the first time. Both fleven have some of the best players in the city playing under their colors and a stirring battle is loked for.

Coach Christian of the Blues has named the five men who will be the first string men of the Blues. They are: Hargrove (cap-tain). Puller, Word, Thornton and Elmore. Elmore, the fast little guard of the Blues, is playing a great game for the soldiers. In rapid succession last night he made three beautiful field goals.

Zander, one of the mainstays of the Grays, was constantly in the spotlight last night. Though his team lost, it was no fault of his. Dean Haw's Barton Heights aggregation are making things hum in the Federation League. The two games they have won have been by top-heavy scores.

Entwistle and Bell, the two new men signed by the Howitzers, demonstrated their worth last night. Both put up an exceptionally fine article of ball.

C. C. A. ACTIVITIES

The East End grammar schol leagues en-joyed the most exciting week of games of the entire season at the Church Civic Association Field. Nicholson School lads worked hard to the up with the Chimborazo boys, and only, after the hardest kind of play, were they defeated. The Jefferson boys made the lads from Fairmount hustle, and Springfield boys were no march for the Believue team.
